Hi Lorena,

I actually am off this week- and should be returning next Thursday- can we plan on soaking then?

Best

Andrew,

I hope you are feeling better this week.

As you are aware my board of directors approved the construction costs of a simple stage and upgraded electric. I have been corresponding for several months now with LADOT Parking Facilities Division on communicating our plans. I have a meeting tomorrow morning with the LADOT engineer. Unless we have a setback, I hope to complete the project soon.

I am anxious to complete this project as soon as possible. What are the next steps that need to take place?

I look forward to hearing from you.

Can we please begin the process of initiating use of the grant? Do we need to set up a meeting with the committee?

I look forward to hearing from you.

Andrew,

I am pleased to announce that our board of directors approved the construction of the stage area at the corner of 6th St. and Mesa St. at this morning's board meeting.

I need to know what the next step is to begin the programming. Should we reconvene the committee?

Please advise. I'm anxious to get this program rolling.

Best regards,
